OFFICE OF BUILDING INSPECTOR:

Permit and Application is hereby made for a use and occupancy permit under the provisions of an ordinance of the Board of Supervisors of DeSoto County and the undersigned applicant hereby represents that all answers to questions herein propounded and maps attached are true, that the permit applied for is granted on the representation herein made and that any permit issued here under may be revoked without notice on a breach of representation or foundation.

(FOR POOLS ONLY)

I am aware that if a permanent barrier complying with the 1999 Standard Pool Code is not in place at the time of construction a temporary construction fence shall be installed until a permanent barrier is completed.

To obtain an approved final inspection, a permanent barrier shall be in place. Owner shall set up a final inspection within forty-eight (48) hours.
